

Accessibility Statement @HIIG

Accessibility Statement for the Alexander von Humboldt Institute for Internet and Society The Alexander von Humboldt Institute for Internet and Society (HIIG) is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone, and applying the relevant accessibility standards.

Measures to support accessibility

The HIIG takes the following measures to ensure accessibility of its content:

- Include accessibility as part of our mission statement.
- Include accessibility throughout our internal policies.

Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. The HIIG's website (<https://www.hiig.de/>) is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.
